Haley

series 012

The Haley collection is a feminine, casual lifestyle girl's group created to offer you a furniture collection with lots of options and unique storage bed configurations.

Haley is constructed using select hardwood solids with a white painted color finish. The hardware is a wood knob with a brushed pewter color insert, adding to the overall casual appeal. The collection features thick drawer fronts and heavy top panels that add a sturdy quality to each piece. Design elements such as, soft, curved shapes and a floral hand carved motif give Haley a lasting appeal for all young ladies.

Beds are the key ingredient in Haley. The simple Platform Bed that includes a slat pack is a starting bed that will fit any child's room and also works as the foundation for adding additional sleep, study and storage pieces.

Add a Twin or Full size Panel Headboard, a Bookcase Headboard or use a Daybed Panel to create multiple options. And then continue building from there by adding a Twin or Full size Footboard Dresser or add a Desk at the foot of the bed. Or create two sleeping areas by combining the Corner unit and two Platform Beds on each end. The options are almost limitless!

Whatever your room requirements are, we have the bed that fits your style and room.
