JESSICA MCCLINTOCK HOME
The Heirloom Collection for Young Ladies

Every woman who has attended a prom, walked down the aisle, or worn a bridesmaid or mother of the bride dress within the last thirty years is familiar with the special occasion and bridal dresses of Jessica McClintock. In the years since the 1969 launch of her company, Gunne Sax, the designer has built a fashion institution and has gained a vast and loyal following by redefining classic elegance. Her five formal wear collections, perfume and other fashion-related products are sold in over 40 Jessica McClintock designer boutiques as well as through most major department stores and specialty retailers.

Jessica McClintock Home—"The Heirloom Collection for Young Ladies" is inspired by the antiques which grace her home in San Francisco and have been collected from around the world. In working with Jessica, the Lea Industries designers crafted the collection using a combination of cherry veneers, select hardwood solids and other wood products.

Jessica McClintock Home—"The Heirloom Collection for Young Ladies" offers a warm cherry finish with burnished highlighting to the carvings to enhance the character of the collection. The jewel-like hardware has an antique brass finish to add to the heirloom appearance.

Romance is in the air when you decorate with Jessica McClintock Home—"The Heirloom Collection for Young Ladies". Allow her spirit of romance to touch the strings of your heart as you express your own romance style and return to elegance. Jessica McClintock Home—"The Heirloom Collection for Young Ladies" sold exclusively through better furniture retailers.

Jessica McClintock Home—"The Heirloom Collection for Young Ladies".....Romantic, Feminine, Beautiful and Elegant.

My pieces have a drama that is reminiscent of the past, but inspiring to the present.
